## 2024 VINTAGE

### Frizzante on the rocks

#### VARIETALS

Garnacha.

#### TASTING NOTES

This wine has a crystalline appearance and a very pale pink colour with noticeable bubbles. The nose is extremely fresh and intense, with a clear presence of carbon dioxide and fruit, and hints of strawberry. There are also hints of raspberry, candy and fresh red fruits. Refreshing on the palate with a remarkable fruity sensation reminiscent of the nasal phase. Long and elegant finish, with great persistence of the fruity notes and a lingering sensation of freshness.

With its soft bubbles, fruity aromas and refreshing sensation, it's the perfect appetizer, cocktail mixer or accompaniment to a meal. Drink it however you like: on the rocks, with a slice of orange, in a glass or in a tumbler - let Blum envelop you in its delicious sensations!
